What is Google Classroom

https://youtu.be/K26iyyQMp_g

Why in the world would you?

- School doesn't have a Google apps domain

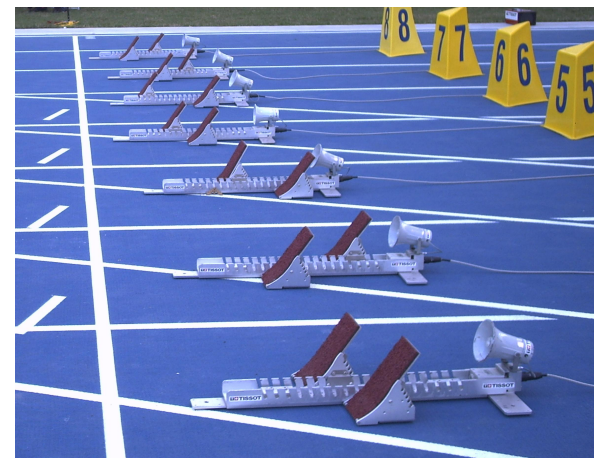

What you can do

- Discussions
- Informal assessment
- Surveys
- Collaborative documents
- Presentations
- Websites
- Data Analysis
- Research
- More

Where to start

- Organizing and distributing information
 - Sharing folders
 - Anyone with a link can...
 - Using forms to collect addresses
 - Turn in assignments
 - Creating email groups to send information

Classroom Management

- Google Sites
 - Content delivery
- Google Groups
 - Discussions
- Goo.gl
 - URL shorteners
- Make a Copy

Google Docs/Slides

- Sharing and collaborating on documents and presentations
 - Pre-assign documents with Group names
 - Self-sharing
